Our Mission

The Riverside Art Museum strives to integrate art into the lives of people in a way that engages, inspires, and builds community by presenting thought-provoking exhibits and providing quality art classes that instill a lifelong love of the arts.

Museum Guide Description

Museum Guides have the unique opportunity to actively engage visitors in pursuit of enriching the visitors' experience and enhancing their knowledge of the museum. In collaboration with the Art Alliance of the Riverside Art Museum, the Museum Guides are made up of their members and individuals from the general public. The Art Alliance is a volunteer organization whose members plan, support, and participate in activities that benefit the Riverside Art Museum (RAM) and contribute to its operating budget.

A Museum Guide is a volunteer educational facilitator. Museum Guides will share their knowledge about the current exhibits, the history of the museum and our Julia Morgan-designed building, as well as the museum's permanent collection. The Museum Guides will support and share RAM's educational classes, events, and more with visitors. The Museum Guides are a vital part of the museum. They are a resource for visitors to ask questions of and to learn about art. They will encourage art appreciation and act as a RAM ambassador.
